				Zantha-----	6.00

All stock will be freshly dug from our own fields under my personal supervision, and will be expertly packed and shipped out at once. It should reach you in the best possible condition. It will be the equal of the best Pacific-grown stock with the added advantage of being hardened in our severe Mid-western climate. You will be proud to show it to your friends

Yours for BETTER IRIS-BETTER GROWN,

Wilmer B. Flory
